Ms. Moran,

Today's meeting was very productive in my estimation, and I want to thank each and every person who attended. I appreciate you all for your patience with me as I struggled to express myself and for your goodwill and willingness to participate.

I am hopeful that our meeting today proved to be a forum which enabled you to begin or continue a conversation with ADEQ and EPA (Dallas and HQ) concerning some of your issues involving the Arkwood Superfund Site. The following are action items: 1) EPA Region 6 and ADEQ will work cooperatively with you to revise the deed restriction; 2) Region 6 will assist in securing access by the owner to the site; 3) Region 6 will remain in contact with you concerning the upcoming sampling efforts by USGS; 4) Region 6 will assist you concerning the NPL Deletion (Partial) and Ready for Reuse requirements; and 5) Region 6 and ADEQ will confer concerning sampling and the achievement of compliance.

I am also attaching the list of attendees in Region 6 Dallas and ADEQ. Please find the list of attendees at EPA HQ in the forwarded email below.
